

HI·MACS

The shape of your ideas

BEAUTIFULLY MADE. MINDFULLY DESIGNED.

8% certified recycled content now in every HIMACS shape

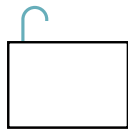

SCS Certified Recycled Content for Sinks and Basins

No matter where you use them, in kitchens or bathrooms, HIMACS Shapes have always stood out for their elegance and performance. And to top that, now all HIMACS sinks and basins come with 8% pre-consumer recycled content, SCS certified.

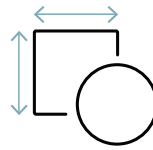

So now, when you choose HIMACS for your residential, commercial or healthcare projects, it's another step towards more conscious and sustainable solutions.

Now with 8% recycled content

Top-mounted as well as under-mounted installation

Available in various shapes and size

Hygienic and easy to maintain

Naturally warm and silky to the touch
